

**DIEDRICHS** & ASSOCIATES, INC.

Due to the flooding, we have had extra help in our shop. Amy Johnstone has been helping with the cleaning process and with moving into our new shop in the Cedar Falls Industrial Park. Helping Amy is Amber Rigdon, who has worked with us for the last year. We would like to thank these two for all of their hard work.

Also, congratulations to Amy on her new job with Allen Hospital. We wish you the best of luck!
